

Consumer Information

1. Completion Time - **the minimum time required for all students to complete the program** in the prior reporting year of July 1, 2017 – June 30, 2018.
2. Placement rates: The Placement rates displayed on the Gainful Employment Disclosures page reflect the outcomes for our programs.

The placement rates are calculated following the guidelines of our school's accreditor, the Council on Occupational Education, pursuant to the instructions provided in the U.S. Department of Education's Gainful Employment Operations Manual.

The rates reflect the percentages of students completing the program who

(1) are employed (whether full-time or part-time) in the field of education/training pursued or in a related field, or

(2) entered the military or continued their education.

The placement rates do not necessarily reflect permanent full-time jobs in the field of training.
